MEMORANDUM FOR: Deputy Director of Central Intelligence

VIA: Director, Intelligence Community Staff **SIGNED**

FROM: Brigadier General Richard S. Beyea, Jr., USAF (Ret.)
Director, Community Counterintelligence and Security
Countermeasures Office/Intelligence Community Staff

SUBJECT: Improving our Counterintelligence and Countermeasures
Posture

REFERENCE: Your memorandum, 30 August 1988

1. We have reviewed the three reports from the chairmen of the IG/CI, IG/CM(P), and IG/CM(T), and the reports were candid and forthright. As you requested, we listed areas in which the IG chairmen identified significant resource problems, those in which bureaucratic difficulties pose problems, specific tasks proven impractical, and other recommendations. I have listed the resource problems (see Attachment 1) as provided by the IG chairmen and will discuss the priority of their listings with each of the chairmen and subsequently report their rank bank. We will then work the resource issues with to rank these in importance for your information and consideration of the DCI's investment wedge and provide you a report as soon as possible.

3. Attachment 4 contains a consolidation of the recommendations and, with your approval, we will ensure that action on each is taken and/or followed up on.
